## **Telling Tales:** *PJ Masks*

Ages 4-5; Saturdays 9:30-10:30am

Tuition = \$96 (\$12/week)

Join Connor, Amaya, and Greg, or rather...Catboy, Owlette, and Gekko, as they solve mysteries and learn valuable lessons. Students will create stories based on these three young friends in pajamas once they activate their amulets and come to life as their superhero alter-egos! Inspired by the Disney Junior show and books by Romuald Racioppo.

## **Performing the Song:** Music from *Trolls*

Grades K-1-2; Saturdays 10:45am-12:15pm

Tuition = \$120 (\$15/week)

"I've Got This Feeling" ... that you will love singing and dancing to the music of *Trolls*! Join Poppy, Branch, and the rest of the Troll clan and learn the music of the movie. Students will be introduced to learning music, including beginning music-reading, rhythm, group singing vs. solo singing, and dancing to boot. Just watch out for Bergans!

## **Spotlight Stories:** *How Do Dinosaurs... ?*

Grades 1-2; Saturdays 12:30-1:30pm

Tuition = \$96 (\$12/week)

How do dinosaurs do things like go to school, play with their friends, or say I love you? Using Jane Yolen's popular book series, students will use their bodies and voices to move and sound like different dinosaurs while creating stories and scenes featuring every "saurus" imaginable!

## **Stage Creations:** *R. L. Stine's Goosebumps*

Grades 3-4; Saturdays 10:45-11:45am

Tuition = \$96 (\$12/week)

Using the popular *Goosebumps* books as a guide, this class puts the creation of spine-tingling situations in the hands of students as they explore what elements make for memorable stories and storytelling. The acting challenge becomes differentiating between humans and monsters. Halloween may be over, but spooky tales can be year-round!

## **Performing the Song II:** Music from *High School Musical*

Grades 3-4-5; Saturdays 9:00-10:30am

Tuition = \$120 (\$15/week)

"We're All in This Together" in this class exploring the music of *High School Musical*. Students will learn the music of this coming-of-age story, as well as movement to help further tell the story. Students will dive a little deeper, learning about harmony, breathing, resonance, and how to keep our bodies safe while dancing. Time to "Getcha Head in the Game!"
